

Training School on Diagnostic and Therapeutic Applications of Electromagnetics, September 2017 - Naples, Italy

Call for grant applications

On September 11-15, 2017 the "Diagnostic and Therapeutic Electromagnetic Applications" course, part of European School of Antennas (ESoA) series, will take place in School of Polytechnic and Basic Sciences - College of Engineering, Federico II University, Naples, Italy. The course coordinators are Prof. Giuseppe Vecchi, Politecnico di Torino and Prof. Ovidio M. Bucci, Università degli Studi di Napoli Federico II.

All the info regarding the Course can be seen in the [brochure](#) and here: http://www.antennasvce.org/Community/Education/Courses?id_folder=703

COST EMF-MED is glad to offer trainee grants at the maximum value of 600 € each (total budget being planned at 2400 €). The application should specify the min. amount needed as a grant (max. amount being limited at 600 €). According to COST Vademecum, 5.3 ([COST Vademecum](#)), the Trainee Grant is a contribution to the overall travel, accommodation and meal expenses of the Grantee and they will be paid as fixed grants after the Training School.

Those interested are kindly requested to send by Sunday, June 25th at 24:00h CET (midnight):

- 1) Motivation Letter (up to 2 pages);
- 2) Curriculum Vitae (CV) (up to 2 pages);
- 3) Reference Letter or a Letter of Recommendation.

by email to ESR/STSM/Training Coordinator (ESTC), Prof. Stavros Koulouridis koulouridis@upatras.gr, CC: to cost-emf-med@fesb.hr.

Subject of the email should be "COST EMF-MED. Application Grant for ESoA Course on Diagnostic and Therapeutic Electromagnetic Applications, Naples".

Interested participants should also express their interest by filing this Doodle poll:

<http://doodle.com/poll/t7qwd5y4gcrmn3va>

Following the expression of interest in Doodle, the application containing the required documentation must be sent within the deadline. Don't forget to leave your e-mail in Doodle!

Final results will be communicated by Monday, July 10th 2017.

Regardless of your application for COST EMF-MED grant and its outcome, the school coordinators kindly ask that you contact also Prof. Giuseppe Vecchi (giuseppe.vecchi@polito.it) and Dr. Lorenzo Crocco (crocco.l@irea.cnr.it) in order to express your interest.
